

Download da ferramenta Eclipse

1. Acesse o site do Eclipse (<https://www.eclipse.org/downloads/>) e clique em **“Download x86_64”**.

Fonte: <https://www.eclipse.org/downloads/>

2. Na tela seguinte, clique em “Download”.

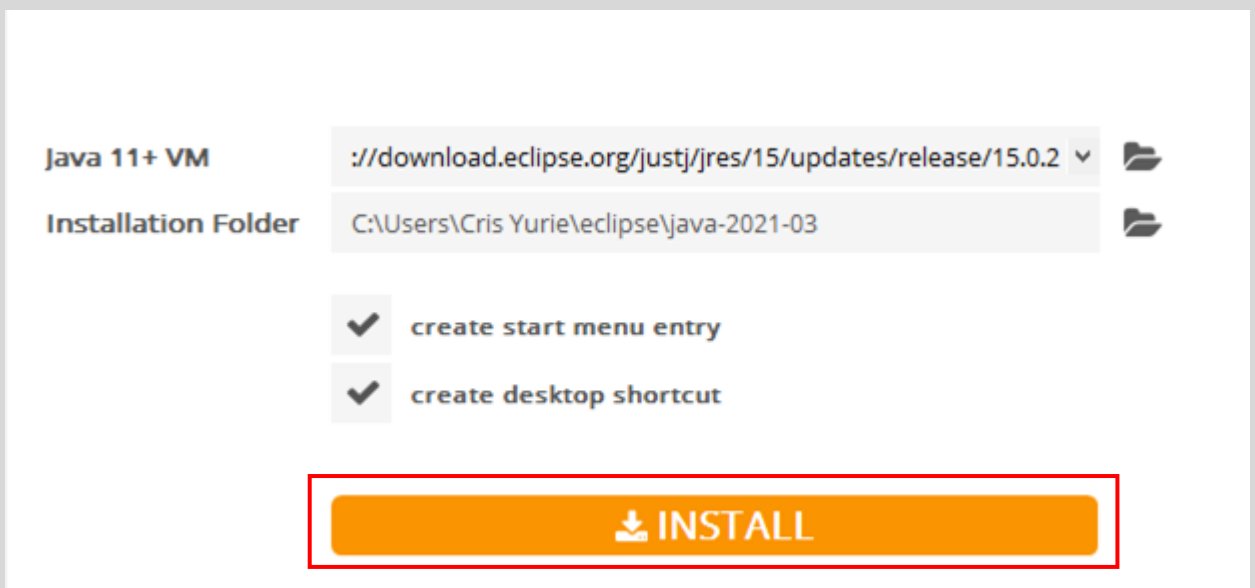

The screenshot shows the Eclipse Foundation website's download page. At the top, there's a dark navigation bar with the Eclipse Foundation logo, links for 'Log in' and 'Manage Cookies', and a menu with 'Projects', 'Working Groups', 'Members', and 'More'. Below the navigation bar, the breadcrumb trail reads 'Home / Downloads / Eclipse downloads - Select a mirror'. A disclaimer states: 'All downloads are provided under the terms and conditions of the Eclipse Foundation Software User Agreement unless otherwise specified.' The main content area features a large orange 'Download' button with a download icon, which is highlighted by a red rectangular box. Below the button, it says 'Download from: Brazil - C3SL - Federal University of Parana (https)'. The file information is 'File: eclipse-inst-jre-win64.exe' and 'SHA-512'. A link '>> Select Another Mirror' is also present. To the right, there's a 'Sirius' advertisement with the text 'The Easiest Way to Get Your Own Modeling Tool' and a 'DOWNLOAD NOW' button. Below the ad, a section titled 'Other options for this file' lists 'All mirrors (xml)' and 'Direct link to file (download starts immediately from best mirror)'. Another section titled 'Related Links' lists 'Donate', 'Becoming a mirror site', 'Updating and installing Eclipse components', and 'Eclipse forums'. At the bottom of the page, there's a footer with the text 'The Entrepreneurial Open Source Podcast'.

3. Clique duas vezes no arquivo baixado e selecione a opção destacada.

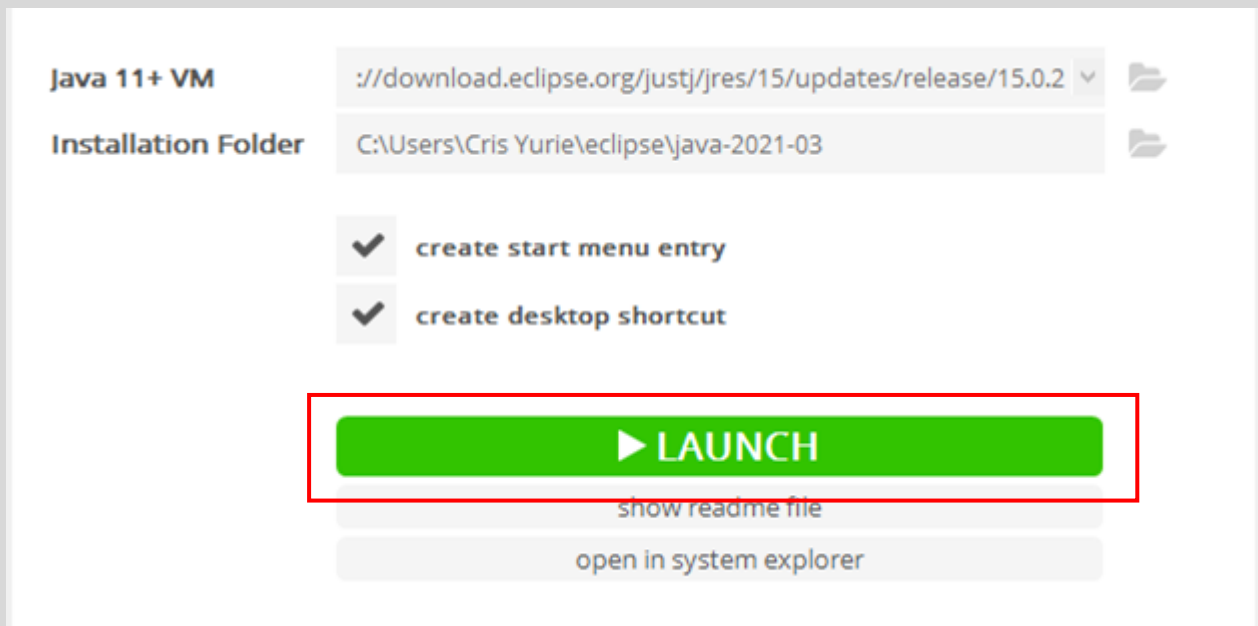

4. Clique em “Install”.

5. Leia os termos e clique em “**Accept Now**”.

6. Clique em “**Launch**”.

The screenshot shows the Eclipse IDE installation wizard. It has two input fields at the top: "Java 11+ VM" with the value "://download.eclipse.org/justj/jres/15/updates/release/15.0.2" and "Installation Folder" with the value "C:\Users\Cris Yurie\eclipse\java-2021-03". Below these are two checked checkboxes: "create start menu entry" and "create desktop shortcut". At the bottom, there is a large green button with a play icon and the text "LAUNCH", which is highlighted by a red rectangle. Below this button are two smaller, disabled buttons: "show readme file" and "open in system explorer".

7. Pronto, a ferramenta está instalada e preparada para uso!
